

# Hanukkah Traditions

By Arlo and Shane and Jacqueline

# Lighting the menorah

One of my favorite things about Hanukkah is lighting the Menorah. It represents the eight nights.

# Dreidel

I like playing dreidel because I get gelt.  
It's really fun because gelts are  
chocolate coins.

# Presents

I like getting presents because I always get good ones.

# Food

The main things we eat are things cooked in oil. Like latkes or jelly donuts.

# Snow

I like snow because I like to go sledding!!!

I also like to throw snowballs at people!!!
